Experience

- **Senior Web Designer – Creekmore Marketing | March 2023 – Present**
 - Built and published more than 60 websites during a 3-year period.
 - Brought over \$200K in client revenue from website designs, updates, and upsell opportunities.
 - Successfully launched large-scale websites (50–100 pages) featuring e-commerce, blogs, lead generation, and custom content creation.
 - Balanced an average workload of 10–12 website projects while expediting website updates for ongoing clients, SEO-driven content, and staying up-to-date with industry trends.
- **AAF Lexington – Communications Chair | March 2026 – Present**
 - Collaborated with a board to plan and execute events that connect the advertising community.
 - Designed and published 1–2 social media posts per week to spark engagement and outreach.
- **Graphic Design Intern – TOPS Lexington | Aug 2021 – Dec 2021**
 - Designed approximately 20 unique feature frames for website engagement. Participated in developing upcoming print and digital publications.
- **Graphic Design Intern – UK Crisis Management | January 2021 – May 2021**
 - Partnered with UK's PR and Social Media team to design social stories and digital content supporting COVID-19 vaccine rollout and public health communication efforts.
